#### **EDUCATION AND TRAINING**

**06/09/2021 – CURRENT** – 2 Av. de l'Universite,Esch-Sur-Alzette, Esch-sur-Alzette, Luxembourg

# Master of Data Science

University of Luxembourg

https://wwwen.uni.lu/

**01/04/2016 – 01/06/2020** – 15/1, Iqbal Road, Mohammadpur, 5/B, Beribadh Main Road, Adabar, Mohammadpur, Dhaka, Bangladesh

# **Bachelor of Science in Computer Science and Engineering**

Bangladesh University

# Field(s) of study

Engineering, manufacturing and construction

3.93 https://www.bu.edu.bd

01/06/2013 - 09/08/2015 - Zoo Road, Mirpur-1, Dhaka, Bangladesh

# **Higher Secondary Certificate**

**BCIC College** 

# Field(s) of study

Science

5.00 www.bciccollege.edu.bd

### **UNDERGRADUATE THESIS**

# A Novel Approach of Data Allocation Based on Firefly Algorithm in Distributed Database

Here we propose an alternative approach of data allocation based on firefly algorithm. Our experimental results clearly indicate the lowest data transaction cost of firefly algorithm as well as less execution time and highest performance percentage. Goal of this study is find the best algorithm for DAP (Data Allocation Problem) solutions by utilization and implementation our allocation model, which can minimize transaction cost by allocating fragments into best possible site. Comparison among existing algorithm (such as Genetic algorithm, Particle Swarm Optimization algorithm and Ant colony algorithm) is another outcome of this practice.

Supervisor: MD: ZAKIR HOSSAIN

Lecturer, Dept. of CSE, Bangladesh University

### **DIGITAL SKILLS**

## **Programming Language**

Programming languages (Python and R program) / Programming Languages: Java ,C# ,basic C++,basic React / Dotnet Core

# **Database Language**

Firebase (Functions, Auth, Firestore, Storage) / MySQL

#### **Web Technologies**

Web Development: HTML 5, CSS, JavaScript

#### **Version Control System**

Git

### **Computer Graphics**

Excellent knowlende of graphic software (Adobe Photoshop, Adobe Indesign, Adobe Illustrator)

#### **Ability Environments**

Windows, MacOS, Linux(wsl)

### Others

Quickly learning / Data Structures and algorithms / Team-working skills / And roid Development

### **PROJECTS**

# OWL-Social Network Application

https://github.com/rakiiibul/OWL

A social networking application that makes it easy for you to connect and share with family and friends online for android operating system. Java is used for programming and firebase is used as backend for database.

# Inventory Management

https://github.com/rakiiibul/Inventory-management

A web based project for sourcing, storing, and selling inventory. Php and Mysql is used for backend and html/css/JavaScript for frontend.

### HONOURS AND AWARDS

07/11/2018

Champion in Intra BU Programming Contest 2018 – Bangladesh University

01/06/2019

**Second Runners Up - BU Intra-CSE Programming Contest 2019** – Banglades h University

Honorary Participation – National Collegiate Programming Contest(NCPC) 2018

Runners Up -Extra Curriculum Activities 2018 – Bangladesh University

### **VOLUNTEERING**

07/06/2016 - CURRENT

Performed as an organizer of PRODIP

Savar, Dhaka

A social welfare organization

04/01/2015 - 11/12/2018

General body member of STO

Savar, Dhaka

### RECOMMENDATIONS

MD. ZAKIR HOSSAIN – Lecturer, Department of CSE – <u>bu.zakir15@gmail.com</u> – ( +880) 1722658580 Bangladesh University 15/1 Iqbal Road,

Mohammadpur, Dhaka-1207

MD. SADIQ IQBAL – Associate Professor and Head of the Department of CSE – sadiq.iqbal@bu.edu.bd – (+880) 1755559312
